

# ST.E.A.M. Summer Cabbage Ball League for Kids-SPONSOR

St. Edward's Association of Men (STEAM) is pleased to announce another fun filled summer cabbage ball league for the summer. The league is open to all who students who will be entering PreK4-8<sup>th</sup> grade next year. The league is designed to offer students of all skill levels a chance to learn and play the game of cabbage ball while enjoying a fun atmosphere with their friends.

In order to offset the costs of hosting the league, STEAM is looking for corporate or private sponsors. Your sponsorship will provide the children with team shirts, trophies, pizza, playing equipment, and will help cover insurance cost.

There are 2 different types of sponsorship opportunities:

- **\$150 Shirt Sponsor-** As a team sponsor, your business name or logo will be printed on the back of all the t-shirts in the cabbage ball league. This includes players, coaches, and umpires. We will also have an extra shirt for yourself!
- **\$150 League Sponsor-** As a league sponsor, we will proudly display an 18x24 sign with your company name and/or logo on the backdrop of the main field on the corner of Transcontinental and W. Metairie. These signs will denote your support of the league to all of our teams, parents, and players throughout the season. You can either provide your own sign (pending approval) or we will print for you at no extra charge.

If you have any questions, please contact:
